

Anne Chardonens

Anne Chardonens (1989) obtained a Master in Cultural Management at the *Université libre de Bruxelles (ULB)*. She has started a PhD in January 2016 at the *Centre de Recherche en Sciences de l'Information et de la Communication (ULB)*.

À

She has participated in the research project MADDLAIN and in November 2016 she has joined the research team of CegeSoma. She works for the ADOCHS project which aims at improving the process of quality control of the digitized heritage collections. She focuses in particular on the metadata with regard to the photograph collections of CegeSoma and on the digitized newspapers of the Royal Library of Belgium.
